Streaming music: The number of plays on online radio stations such as Pandora, Spotify, Apple Music, Yahoo Music and AOL Music are counted towards the total number of broadcasts. Often, the artist with the best-selling album is different from the artist with the best-selling single on the Billboard Hot 100. The Nielsen data analysis company tracks what people are listening to each week in 19 different countries and collects the information ³ for the Billboard music charts.Mainstream Top 40The top 40 hits are dropped by the Hot 100 list published weekly by Billboard magazine. Billboard Hot 100The Billboard Hot 100 is published weekly by Billboard magazine.
